

## Tree Climbing Saddles and Harnesses

TopFlight Trailers & Equipment carries tree saddles from Buckingham. With a wide range of tree climbing saddles, you will find the right one for you. The Buckingham Economy Line is a great place to start for beginning climbers, while the Buckingham Classic Series contains favorite saddles of professional tree climbers. We have brought in the all new Buckingham Deluxe Series Saddles which feature the latest in climbing technology and design.

### **Buckingham Classic Line**

Formerly known as the Master series, here you will find the classic versions of Master II, Pinnacle, Traverse, and versatile. These are true professional climbing saddles.

### **Buckingham Deluxe Line**

Buckingham's newest saddles are light-weight, durable, and have improved attachment points, padding, and quick-connect buckles. The Glide II and Erogvation are also found here.

**Buckingham Economy Line** These saddles are popular for their durability and value. Split suspension, floating dee, and two dee styles available in basic or wide-back versions. Good, basic saddles.

### **Buckingham Leather Waist Belt**

The Buckingham waist belt is designed for pole climbing or industrial work positioning. You will also find fall protection harnesses here.

### **Saw Straps and Saddle Accessories**

We stock saw straps, break-away chainsaw lanyards, climber first aid kits, add-on snaps and loops, harness bags and pouches, and other necessities.
